Border Operations Centre (BOC)

CONCLUDED Significant Event: S1049382

~

Conclusion-

On February 12, 2022, as of 1745 ET, it has been reported that all demonstration participants have left the port of entry. There are no indications of a planned resumption of protest activity observed at this time. This concludes BOC reporting on this event.

~

Synopsis –

On February 12, 2022, at 0850 ET, it was reported by the [Cornwall](#) port of entry (POE) that there were a dozen tractors lined up in the northbound lane and centre median just outside of the POE's compound. The lane is still accessible to traffic and police are on site for traffic control.

Impact –

There has been no impact to the operations.

~

CBSA Action/Next Steps –

BOC will provide updates as they become available.
